**Intent to File Application to “Impose and Use” Passenger Facility Charges
at the Youngstown-Warren Regional Airport**

Western Reserve Port Authority intends to file an application to "Impose and Use" Passenger Facility Charges (PFC) with the Federal Aviation Administration (FAA) that will allow the Port Authority to augment its capital improvement program at the Youngstown-Warren Regional Airport. As required under Section 158.24 of CFR Part 158, "Passenger Facility Charges", the Port Authority is hereby providing public notice of its intent to file the application.

Comments may be filed with Mr. Daniel J. Dickten, AAE, Director of Aviation, at the address listed below on or prior to October 31, 2016. Comments received by that date will be considered by the Port Authority and will be forwarded with the application to the FAA. Project descriptions, justifications, and summary of project costs are provided with this notice. More detailed project justification information will be provided upon written request to Mr. Dickten.
