

**Celebrate Daily Flights to Chicago with the  
Youngstown-Warren Regional Airport  
*YNG Welcomes the Public to Regional Chamber After  
Hours Mixer on Thursday***

**Where:** Youngstown-Warren Regional Airport, Passenger Terminal  
1453 Youngstown-Kingsville Road, N.E., Vienna, OH  
44473

**When:** Thursday, June 23 from 5:30 to 7:30 p.m.

**June 21, 2016 (VIENNA, Ohio)** — The Youngstown-Warren Regional Airport (YNG) is celebrating the launch of daily flight service to Chicago O'Hare International Airport (ORD), and is inviting the community for cocktails and hors d'oeuvres on Thursday, June 23.

YNG is hosting an After Hours Mixer with the Youngstown/Warren Regional Chamber on Thursday, from 5:30 to 7:30 p.m. The public is invited to attend the event for a chance to learn more about the daily air service and future plans for the flights, and to check out the newly remodeled terminal. Residents, community officials and business professionals are all encouraged to stop out for refreshments and networking.

"Now that we're less than two weeks away from the July 1 launch, we wanted to give the community a chance to get together and celebrate this incredible milestone for the airport," says YNG's director of aviation, Dan Dickten. "We've gotten a lot of support from the community over the years, and people have been buzzing about these flights to Chicago. This is a chance for everyone to engage in a nice, relaxed setting to learn about the flights and get to know some of the people who have helped make this service possible."

Local businesses are eagerly anticipating the ability to connect to the more than 130 destinations through ORD, Dickten says. Flying out of YNG means business travelers won't have to drive over an hour to or from Cleveland or Pittsburgh.

"This service has the potential to not only give our local businesses an easier

way to connect to their distant markets, but to also tap into new markets in the United States and overseas," he says. "And by giving our clients a nearby airport like YNG that they can fly into, it shows those markets that the Youngstown/Warren region is serious about doing business."

Anyone who wants to attend can register by contacting the Regional Chamber's special events coordinator, Amy Young at [amy@regionalchamber.com](mailto:amy@regionalchamber.com).

Guests can park in the short-term parking lot. Parking will be validated for anyone attending the mixer.
